Q1 The Pentagon Wars

Updated 2016-12-13 in yellow

Your good friend Kim, a top manager, has seen the movie *The Pentagon Wars*, and is upset by it. Write a text to Kim that contains the following. Indicators that Kim can look for that reveals if her organization is prone to a dysfunctionality similar to the one in Pentagon Wars; a description of the probable cause (causes) of such dysfunctionality; and suggested remedies.

1. Kim has a master's degree and doesn't mind to see references in friendly texts sent to her.
2. You don't know Kim's position (other than that she is a top manager, thus working closer to the top than the middle) or what kind of organization she works in
